“When pigs fly”: Figure of speech that says something is completely impossible, even unthinkable.

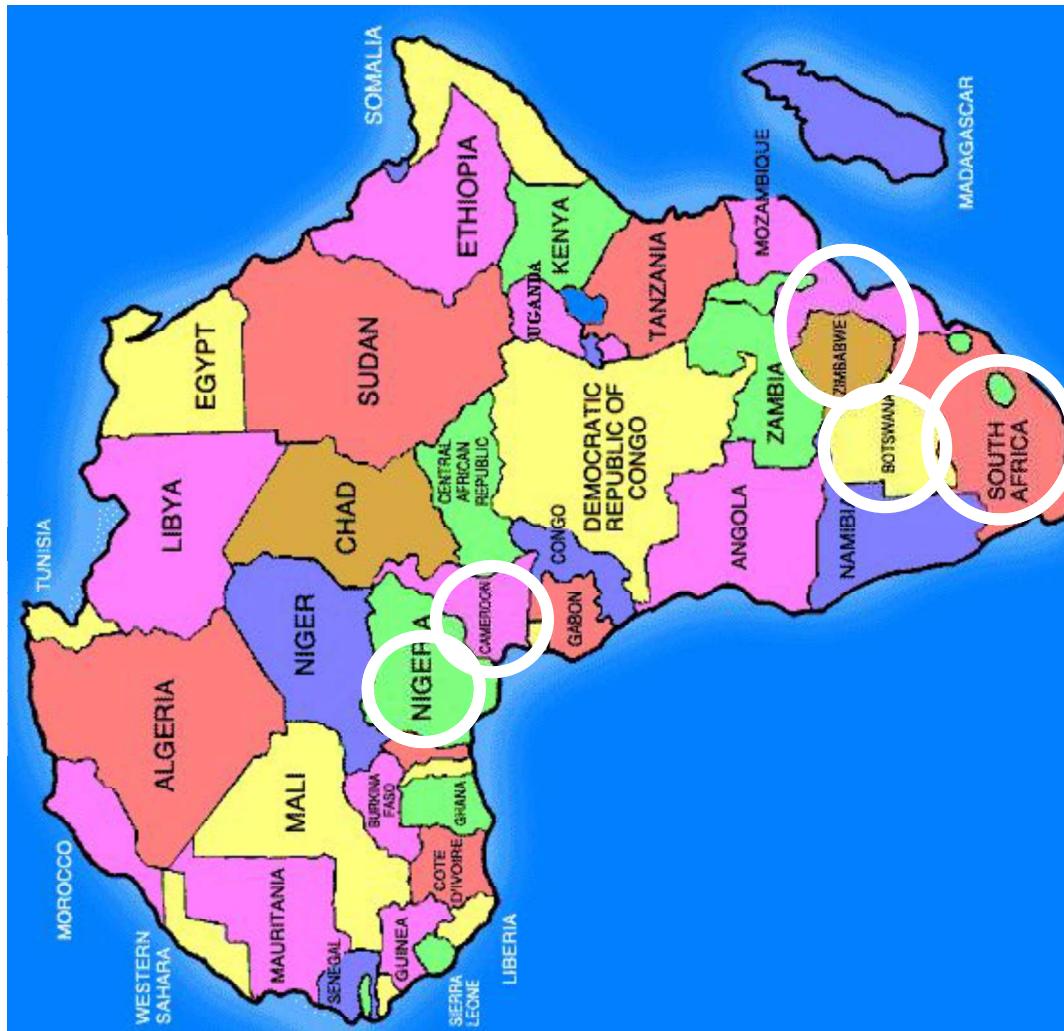

Flying pig: The moment of insight that brings shift and transformation in our clients, students, participants, ourselves...

Petro Janse Van Vuuren &
Christian F. Freisleben

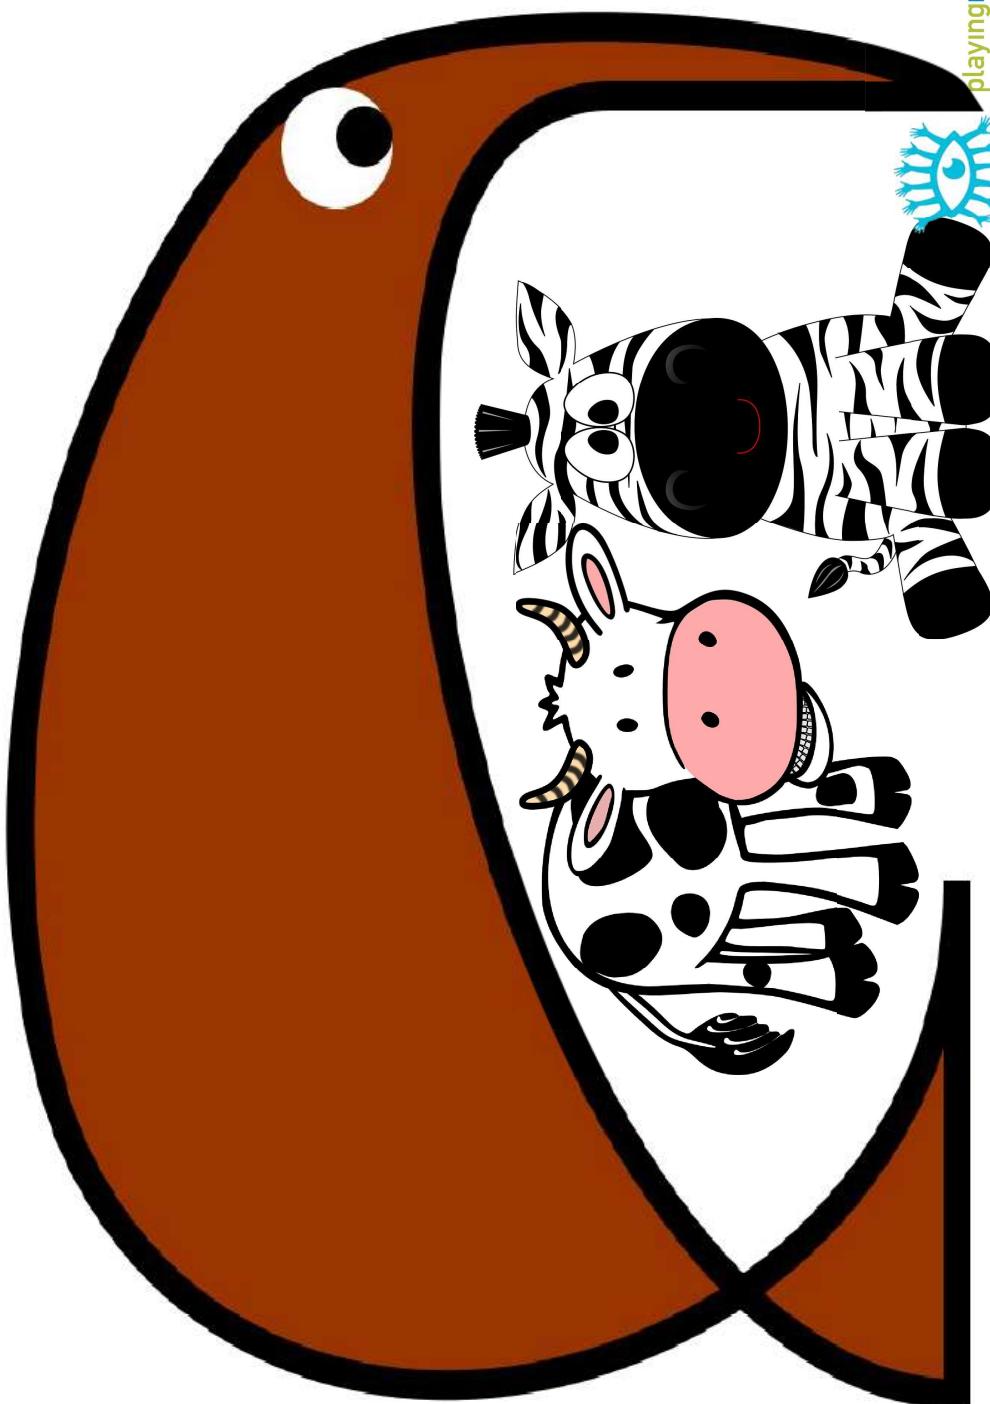

Daily routine of great distances... Also challenging for people who work in a group of PhD-students.

Live-Online-Tools: One option of meeting in an easy way...
...and in a very intense way!

Three elements of Strategic Narrative Embodiment

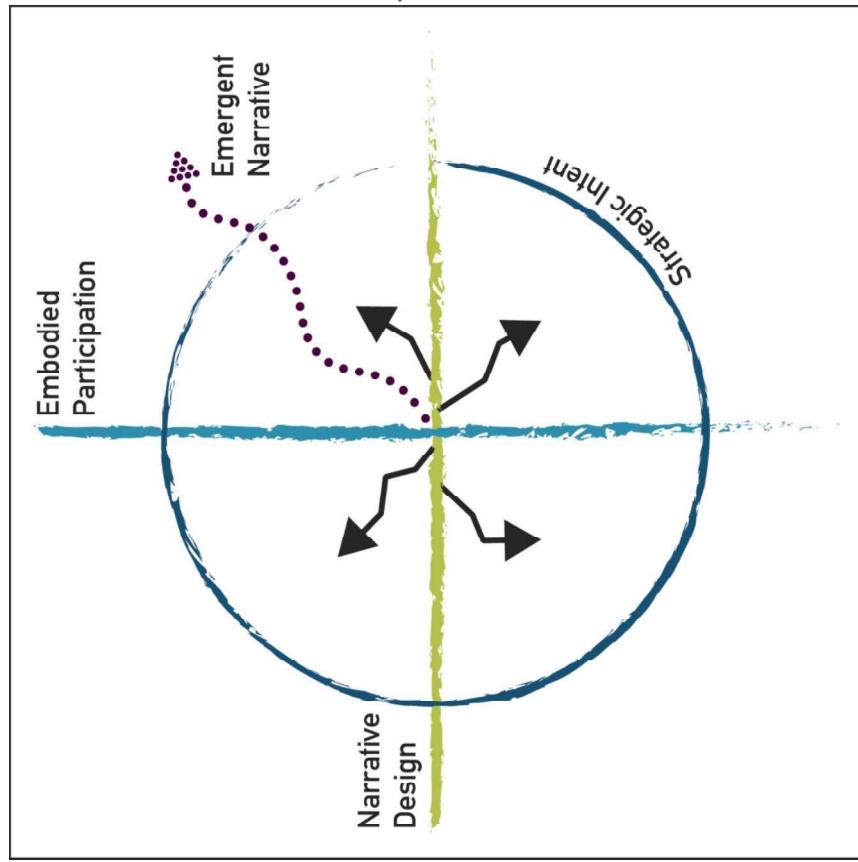

1. Someone who wants something (a strategic intent)
2. Obstacles in their way (an embodied reality)
3. They try to get it anyway (the narrative/story)
